**Release of Medical Information & Financial Responsibility:**

We are contracted with some insurance carriers and may be able to bill directly for you. Please provide us with a copy of your insurance card. If a copayment or deductible is part of your plan, we require that your portion be paid at the time of service. We will make every effort to provide you with an accurate amount due at the end of your visit today.

I hereby authorize the release of any needed medical information to insurance carriers to process a claim, and request that payment be sent to Monterey Spine and Joint for services rendered. I understand that I am financially responsible for all charges whether or not they are covered by insurance, and that I will be expected to pay if insurance has not paid within 60 days. Monterey Spine and Joint may add monthly rebilling fees for overdue balances.

**Release of Medical Information & Financial Responsibility:**

I request that payment of authorized Medicare benefits be made either to me or on my behalf to Monterey Spine and Joint for any services furnished to me by that physician or supplier. I authorize any holder of medical information about me to release to the Center for Medicare and Medicaid Services and its agents any information needed to determine these benefits or benefits payable to related services.

I understand that my signature requests that payment be made and authorizes the release of medical information necessary to pay the claim. If other health insurance is indicated in item 9 of the CMS 1500 form or elsewhere on other approved claim forms or electronically submitted claims, my signature authorizes releasing the information to the insurer or agency shown. In Medicare assigned cases, the physician or supplier agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is fully responsible only for the deductible, coinsurance, and non-covered services. Coinsurance and the deductible are based upon the charge determination of the Medicare carrier.
